Scope of work:

“Servicing of all the Air Conditioners shall be carried out once in a quarter including replacement of damaged spare parts as required and submit the Service Report for each trip duly signed by the Supervisor (Maintenance) and Administrative In-charge. Every Air Conditioner shall be tagged indicating the date of the servicing, Spare Parts replaced, if any, etc and signed by the Technician attended the servicing. The spare parts include Compressors, Gas, Condensers (Copper), Fan and Fan Motors, Capacitors, PC Board etc. **There should not be any exception for replacement of any spare parts.** All the spare parts must be replaced if damaged/not functioning” immediately.

However, in case of sudden breakdown of any Air conditioner, the firm is required to attend to the complaints immediately and ensure proper running of the air Conditioners at all times. The AMC will be for a period of one year and can be extended further based on the satisfactory performance of the AMC Provider. The AMC may be terminated if the performance of the firm is not satisfactory. All the Air Conditioners must be handed over in good running condition after expiry of the AMC. The firms may visit EPTRI to know the condition of the Air Conditioners before submission of the Tender.

The sealed tenders should be dropped in the Tender Box duly entered and stamped by the Despatch Section. The last date for submission of sealed tenders is **14.05.2019 up to 03.00 PM** and the tenders will be opened at 3.30 p.m. on the same day.
